
OLIVE FOODS (PVT) LTD

Brand Guidelines

The marks, colours, and voice of Olive Foods.

§ 01 — THE MARK

One mark, room to breathe.

CLEAR SPACE Leave clear space around the logo — the mark's height.

MINIMUM SIZE Never reproduce the logo below 16 mm / 60 px wide.

BACKGROUNDS Use on cream or white; on dark grounds, a cream chip.

DON'T Recolour, stretch, rotate, add effects, or box the logo in.

§ 02 — COLOUR

Forest greens, an olive gold.

§ 03 — TYPOGRAPHY

Two families, clear roles.

Aa**Sora****DISPLAY**

Headings, numerals, eyebrows. Weights 400–800.

Sourced with intent.

Aa**Inter****BODY**

Running text, labels, UI. Weights 300–700.

Delivered with trust.

Both load from Google Fonts. Fall back to system sans where unavailable.

§ 04 — VOICE

Quality You Can Trust. Excellence You Can Taste.

“A supply chain is really a chain of relationships.”

01 Relationships, not transactions

We write like a long-term partner, not a vendor closing a sale.

02 Precise, not corporate

Concrete nouns — bonded warehouse, cold chain — not buzzwords.

03 Warm, not casual

Confident and human. Never slangy, never stiff.
