01 — WHO WE ARE

Your route to the Sri Lankan market.

Olive Foods is a Sri Lankan food importation and distribution company serving more than 800 customers across hospitality, food service and retail.

Established in October 2025, we give international manufacturers an established route to market through island-wide distribution. We help brands enter, establish and grow in Sri Lanka through local market expertise, dedicated sales execution, GMP-certified operations and long-term commercial partnerships.

From the range: imported brands and our own Olive Foods packs.
